Dear Eric:

I hope all is well with you and Evelyn.

My work with Sotheby's often brings me to St. Louis, but I have never had the good fortune to have the opportunity to view your world renown coin collection. I am hoping there might be a time when I could visit with Paul Song, Director of Sotheby's coin department. Paul knows the quality and scope of the collection by reputation and would be thrilled to see it first hand.

Please let me know if and when that might be possible. I would consider it a great favor to let us visit. My office phone number is (312) 396-9559 and my home phone number is (312) 642-6621.

Louis sends his regards. We love Chicago, but still consider St. Louis home!

Sincerely,

Margie
